NOTICE TO THE PRESS

Live Blogging on 2009 HIV/AIDS Implementers' Meeting

Former *Boston Globe* reporter John Donnelly will cover the 2009 HIV/AIDS Implementers' Meeting in Namibia through a live blog from June 11 – June 14. Donnelly will be blogging for the Center for Global Health Policy. During the meeting, blog entries will be available at:

http://sciencespeaks.wordpress.com/category/hiv_conference/

The Center for Global Health Policy, a project of the Infectious Diseases Society of America, is an advocacy group promoting evidence-based U.S. action on global HIV and tuberculosis issues. For more information, please visit: www.idsaglobalhealth.org/.

For more information on the 2009 HIV/AIDS Implementers' Meeting, please visit www.hivimplementers.org.
