Private Sector Activities

Bill and Melinda Gates Foundation

Impact Evaluation and Implementation Science Activities:

- Assess the effectiveness of the strategies used to identify, reach, and retain the most vulnerable AGYW.
- Evaluate the impact of DREAMS at the individual and community level by riding on two existing KEMRI/CDC and APHRC DSS sites.

Gilead

- PrEP donation supporting over 15,000 young women.

Johnson & Johnson

- Conducted a DREAMS journey mapping workshop in-country to generate insights directly from AGYW on their needs and meaningful ways to address the epidemic among AGYW. Findings were shared with country teams to further inform DREAMS programming.
