Private Sector Activities

Bill and Melinda Gates Foundation

Impact Evaluation and Implementation Science Activities:

- Understand characteristics and perspectives of male partners of AGYW.

Gilead

- PrEP donation supporting over 8,000 young women.

Johnson & Johnson

- Conducted a DREAMS journey mapping workshop in-country to generate insights directly from AGYW on their needs and meaningful ways to address the epidemic among AGYW.. Findings were shared with country teams to further inform DREAMS programming.
- Launched a DREAMS Youth Amplification Platform in South Africa focusing on employability, leadership skills, and peer advocacy on SRH.
- Conducted a market segmentation analysis of AGYW.
