Private Sector Activities

Bill and Melinda Gates Foundation

Impact Evaluation and Implementation Science Activities:

- Formative assessment of the acceptability of PrEP among AGYW, providers, and key community members and the feasibility of PrEP provision to AGYW.

Johnson & Johnson

- Conducted a DREAMS journey mapping workshop in-country to generate insights directly from AGYW on their needs and meaningful ways to address the epidemic among AGYW. Findings were shared with country teams to further inform DREAMS programming.
