Private Sector Activities

Bill and Melinda Gates Foundation

Impact Evaluation and Implementation Science Activities:

- Assess the effectiveness of the strategies used to identify, reach, and retain the most vulnerable AGYW.
- Examine if the most-at risk girls were reached through the DREAMS program selection criteria and examine linkage, retention, and reduced risk among DREAMS beneficiaries.
- Measure fidelity of program implementation.
- Estimate program cost per beneficiary.

Gilead Sciences

- PrEP donation supporting up to 2,729 young women.

Johnson & Johnson

- Conducted a DREAMS journey mapping workshop in-country to generate insights directly from AGYW on their needs and meaningful ways to address the epidemic among AGYW. Findings were shared with country teams to further inform DREAMS programming.
